

*"American folk music revivals are sparked by distinct, heroic voices that capture the spirit of the times and people who make up the American mosaic. Nina Ricci is one of those voices. She has chosen a musical path that will enrich the lives of others."*

*"I had the great pleasure of having Nina Ricci as a student for two semesters in my performance classes at the Berklee College of Music in Boston. She carries on stage a level of magnetic charisma that I've rarely seen equaled in my twenty-five years of teaching. Nina's focus and discipline make her impossible to ignore. I don't know what the future holds for her but watch out and hold on.....Nina Ricci's the real thing and it could be mighty!" ~Livingston Taylor*
